Benchmark Index	Tier I Benchmark : NIFTY 200 TRI (40%) + NIFTY Short Duration Debt Index (45%) Domestic Prices of Gold (10%) + Domestic Prices of Silver (5%) Tier II Benchmark: Not Applicable Justification: The composition of the above blended benchmark is in line with the investment objective of the Scheme. The allocation to NIFTY 200 TRI reflects the equity component, the NIFTY Short Duration Debt Index represents the fixed-income allocation, and the inclusion of domestic prices of Gold and Silver captures the commodity allocation. This blended index therefore provides an appropriate representation of the Scheme's diversified strategy under normal circumstances and is considered the most suitable benchmark for performance comparison. The AMC/Trustee reserves the right to change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to the compliance with Regulations/ circulars issued by SEBI and AMFI in this regard from time to time.
Dividend Policy (IDCW)	The Trustee will endeavor to declare the IDCW as per the specified frequencies, subject to availability of distributable surplus calculated in accordance with the SEBI (Mutual Funds) Regulations, 1996 ('SEBI (MF) Regulations'). The actual declaration of pay-out under IDCW and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unit holders as to the rate of pay-out under IDCW nor the payout will be paid regularly. When units are sold, and sale price (NAV) is higher than the face value of the unit, a portion of the sale price that represents realized gains is credited to an Equalization Reserve Account which can be used to IDCW payout. The amounts can be distributed out of investors' capital (Equalization Reserve), which is part of the sale price that represents realized gains. The quantum of IDCW and the record date may be fixed by the Trustee in their meeting. IDCW so decided shall be paid subject to availability of distributable surplus. Record date is the date that will be considered for the purpose of determining the eligibility of investors whose name appears on the register of unitholders. The AMC shall issue a notice to the public communicating the decision of IDCW declaration including the record date, within one calendar day of the decision of the Trustee, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the head office of the Mutual Fund is situated. The record date shall be two working days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier. The investors should note that the Fund does not assure or guarantee declaration of IDCW under the Income Distribution cum Capital Withdrawal Option. The actual declaration of IDCW, frequency and the rate of IDCW will inter alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the unitholders as to the rate of IDCW nor that the IDCW will be paid regularly. Post declaration of IDCW, the NAV of the Units under the Income Distribution cum Capital Withdrawal Option will stand reduced by the amount of IDCW declared and applicable statutory levy. Even though the asset portfolio will be common at the scheme level, the NAVs of the growth option and Income Distribution cum Capital Withdrawal Option in each respective Plan under the Scheme will be distinctly different after declaration of the first IDCW to the extent of distributed income, applicable tax and statutory levy, if any, and expenses relating to the distribution of the IDCW. Please note that it is mandatory for the unitholders to provide the bank account details as per SEBI guidelines. The warrants/cheque/demand draft issued under IDCW option shall be dispatched to the Unit Holders within 7 working days from the record date. Background:

In its continuing endeavour to make the existing New Fund Offer process more efficient, SEBI introduced a supplementary process of applying in New Fund Offer, viz the "Applications Supported by Blocked Amount (ASBA)" process. Accordingly, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended have been amended for ASBA process. The salient features of circular no. SEBI/CFO/DIL/ASBA/1/2009/30/12 dated December 30, 2009 available on SEBI website for "Additional mode of payment through Applications Supported by Blocked Amount (hereinafter referred to as "ASBA") are mentioned below for understanding the ASBA process:

1. **Meaning of ASBA:** ASBA is an application for subscribing to a New Fund Offer (NFO), containing an authorization to block the application money in a bank account.
2. **Self-Certified Syndicate Bank (SCSB):** SCSB is a banker to an issue registered with the SEBI which offers the facility of applying through the ASBA process. The list of SCSBs will be displayed by SEBI on its website at www.sebi.gov.in from time to time.
